THANK YOU MEMBERS! Your membership is the foundation of the theater's success. Without your membership support, we would not exist. Thank you for being a member. Contact us with your feedback or questions at 215 348 1878 x115 or email us at comments@renewtheaters.org

Why the ticket price increase? Because our film distributors require it. Each movie we screen is supplied by a film distributor. They charge us about half of the ticket price. However, our prices have been so low that they have been adding a surcharge to our rental fees. We first announced this anticipated change almost a year ago. We delayed the change as long as we could, but it is finally time to implement it.

Main Attractions

What main films will play at the Garden? This section lists the Main Attractions that we intend to play in the coming weeks. Additional unlisted films will also become available. This list is only an educated guess, though, since film release plans often change.

When will these main films play? Scheduling our Main Attractions is week-to-week. On Monday, we decide what main films will play starting that Friday. On Tuesday and Wednesday, we set the showtimes for the upcoming week and then update our website and telephone hotline. We also send out a weekly email (which you can receive by signing up at our website). Sometimes, we book a main film a few weeks in advance, which we post on our website’s “Coming Attractions” section.

Paul Thomas Anderson teams up again with Daniel Day-Lewis, in what has been announced as Day-Lewis’ final role.
